CLARIFICATION OF DUE JUDICIAL PROCESS

The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Judicial Committee of the Privy Council - refer to:

The State's due process within the structure of the Justice System must be continuous or criminals will step in to persecute as has happened below today.

A transcript of a video update is a written version of everything said in the video. It helps viewers read along, understand the message better, and makes the content accessible for people with hearing difficulties. Transcripts are also useful for search engines and easier content sharing.

Many people use tools like youtube to mp3 and mp3 youtube to download the audio from video updates. This lets them listen offline later, especially when they don't have time to watch the full video.

Case Reference: IC-396831-C3V3

Dear Shantanu Panigrahi

Thank you for your complaint to the Information Commissioner's Office regarding Kent Police.

As an independent regulator our aim is to improve the information rights practices of organisations. We do this by taking an overview of all the concerns that are raised about organisations with a view to improving their compliance with the UK General Data Protection Regulation (UK GDPR).

The law says we must investigate data protection complaints to an appropriate extent. We will put most of our effort into dealing with matters we think give us the best opportunity to make a significant difference to an organisation's information rights practices.

Depending on the circumstances, we will decide whether to take action against the organisation and what form our action will take. We do this by taking an overview of all concerns that are raised about that organisation with a view to improving their compliance with the data protection framework. Our decision will not affect your ability to enforce your rights through the courts.

In order for us to be able to progress a complaint we need to have evidence of the data protection issue and also evidence to show that you have already raised your complaint formally with the organisation and you have exhausted their complaints procedure.

Without this we are unable to proceed with the complaint. We also require copies of any acknowledgment / response from the organisation. In many instances, when an organisation is made aware of a problem they will be able to resolve it satisfactorily. It is also important that the organisation has the opportunity to put things right for themselves before we become involved.

If you have not yet complained to Kent Police and outlined your concerns about the way they have handled this matter, there is guidance and a template letter on our website which you may find helpful.

Once you have raised the matter formally if you remain dissatisfied you can make a new complaint to the ICO.

If you are seeking personal redress or compensation for the way an organisation has dealt with your personal information, you will need to pursue this independently through the courts or with an industry's own ombudsman or regulatory body.

Please be advised that this is not a process that the ICO can assist you with. We therefore recommend that you seek independent legal advice if you wish to pursue this course of action.

Yours sincerely

The Justices of the Supreme Court

Dear Honourable Justices:

I was required in the past hour to complete a Feedback Survey of my two recent consultations that I had with my GP Surgery (LongCatlisRoad(General advice consultation answers).pdf; and 5 Nov 2021 LongCatlis(eConsult)Generaladviceconsultationanswers5Nov2021.pdf: In addition to the standard questions and box ticking answers that I provided, I submitted the following:

Long Catlis Road needs your feedback

Yahoo/Inbox

eConsult Service <econsult@webgp.com>

To:shantanupanigrahi@yahoo.com

Mon, 8 Nov at 19:02

DO NOT REPLY TO THIS AUTOMATED EMAIL, especially with your personal or medical details.

Dear Shantanu,

You recently used the eConsult service at Long Catlis Road to submit an online consultation.

We'd love to know what you think about it.

Click here to take a short survey about consulting online at Long Catlis Road. It should only take about 5 minutes.

Your feedback will be shared with Long Catlis Road to help them improve how you access your GP's services. And the survey is completely anonymous.

Kind regards,

eConsult

You are receiving this email because you agreed to participate in a survey about the eConsult service when you completed an online consultation

Completed the Feedback with the following additional comments inserted:

The receptionist told me today that the GP had tried to telephone me yesterday, but I was not available to take the call. I explained to the receptionist that Prostate MRI scan referral was recommended for my Urology referral by Medway Maritime Hospital. She took down the notes on the computer and said the Doctor would look at it and if he/she needs to speak to me again they would contact me. No telephone calls came, so I am disappointed with the system.

The first of the two recent E-Consult representations I made was on 1 November 2021 when I requested the Surgery to stop prescribing any more medications to me for, they were not solving anything for me. I was defaecating and urinating badly with my prostate problem. I was also discharged twice by the Britton House Community Health Team in the past few months but do not understand why I have still got to take risperidone, sertraline and depakote medications as these are now totally unnecessary. Dr Ivamo's contention that the Urologist in Medway Maritime Hospital would decide on these and other medications like Tamsulosin and Finasteride as well

as Atrovastatin that I currently also take daily is disheartening for I do not believe that medications should be taken unless one is severely in pain as the only circumstance that I would take them. So only pain killers for me are what I have said in the past. Twenty years of mental health medications have not stopped me from carrying on living peacefully and positively to contribute to my mission of generating Knowledge for World Conservation and I have successfully written 20 books in the past 6 months alone through my company The Conservative Libertarian Publications Limited of which I am the Managing Director. I have also a dozen or so websites in which I disseminate all my research findings as a philanthropic mission for the benefit of mankind. So, the Surgery should think again and give me a face-to-face appointment to explain what I have done wrong over the years to deserve to be labelled a mentally deranged person whose liberty should be restricted by semi-detention at home under enforced mental health medications.

I am satisfied that the E-Consult process enables me to clearly state what my problems and issues are in writing to the GP Surgery for it is better to have these issues explicitly stated for the relevant authorities to take account of and then take the necessary actions. It cannot be helped that the MRI scan authorities of Medway Maritime Hospital have delayed my MRI scan for Prostate for over two years because they simply forgot about me since the last contact I had with Dr Bhatt who prescribed Tamsulosin and Finasteride but these have not worked, and so it is definitely a Urological-Defaecation issue relating to the medications that I have been taking for mental health as seemingly a precautionary measure rather than for there being any need of the medication to have anti-psychotic, anti-depression and mood-stabilising effects on me. I am not depressed, and my mood is very calm. I write profusely that is the way I control my mental peace of mind. I hope you will take this into account and get me an appointment as soon as possible and not wait for the Urology Department to contact me after 19 November 2021.

I would like to state that telephone responses are not going to solve any patient's problem: the responses of the GP Surgery must be accompanied by an email to state categorically what the next step is. If another consultation is necessary as in Dr Ivamo's estimation, an appointment should have been offered to me for a face-to-face Meeting, not a telephone Hearing made all of a sudden, and which I was unavailable for so could not answer. Dr Ivamo should at that point have sent me an email or a text with what he had decided following examination of the details of the two E-Consult requests that I made, the second one being on 5 November 2021. So while the facility of E-Consult provision is highly desirable for the patient, since these are legal records for the Supreme Court of the United Kingdom to consider with reference to my Claim against the Prime Minister of the United Kingdom, Mr Boris Johnson for overseeing 20 years of negligence from the Health Secretary past and present, the Surgery needs to now examine everything of my diagnosis and treatment for mental health including the two periods of sectioning in mental hospitals (2004 and 2009) to justify the actions of the National Health Service. The sooner you do that the sooner this matter can be put to rest.

Your experience with using the eConsult service

I suggest you go and seek psychiatric mental help from a professional for your delusional state, I need from you hard and concentrate evidence and proof of your accusations against me, all of which are lies and you know it, stop all this or you will be put in front of a very strict judge for your ongoing harassment of me with no proof of your accusations against me.

Now go and find proof and show me what you are accusing me of!

I suggest you go and seek psychiatric mental help from a professional for your delusional state, I need from you hard and concentrate evidence and proof of your accusations against me, all of which are lies and you know it, stop all this or you will be put in front of a very strict judge for your ongoing harassment of me with no proof of your accusations against me.

Now go and find proof and show me what you are accusing me of!

Ed Mulhouse and the research on HHJ N. Parfitt's failure to recuse2

Dear Mr Khan

This is true is it not? Further, were you put under some pressure from other sources not to undertake the private prosecution of the Chief Constable of Kent Police at Maidstone Crown Court on Appeal from the decision of the East Kent Magistrate's Court?

I should remind you that you had sent me contractual-documents that were signed by me and returned to you so it was a binding contract with yourself that has to be fulfilled now belatedly, as set out by ~~~Cherie below.

I am sorry if I gave the impression that Muslims were dim-witted enough to read the Quran and abide with all its formal instructions here in the United Kingdom, but did religion in me not being a Muslim form a part of your considerations that you did not act for me previously?

Kindly confirm if I have legal grounds to submit the N244 Form relating to HHJ Parfitt's failure to recuse, for that is the Order that needs to be appealed not the Order of District Judge Lightman the latter being a costs order as a consequence of HHJ Parfitt's earlier Order attached:

Dear Shan,
Re: E35YM660

Why have you not acted on this-

<https://www.judiciary.uk/wp-content/uploads/2018/08/khan-v-bsb-2018-ewhc-2184-admin.pdf>?

HHJ Parfitt's prior involvement, however limited or tenuous, with Forz Khan in his capacity of litigant (not counsel), your lawyer at the time Nick heard E35YM660, as documented in is adequate to require him, in accordance with the Civils Procedure Rules (CPR) to recuse himself from your case. If in error or ignorance of the facts he did not do so, his ruling itself is voidable upon application.

Parfitt seems to like giving unentitled women 30 grand diamonds. An astoundingly unjust judgment from 2018. He isn't very bright, as dim as Lightman, and will reverse his decision on suitable application of judicial conduct pressure. I eat judges like him alive every other week.

Keep the N244 succinct. Do not bring in vishishta advaita or other irrelevant nonsense. For once, win. Be fast. You'll be out of time in about six weeks.

Further -- stop threatening to behead HMQ and wasting police time and insulting Muslims and harassing women. It isn't funny.

Who is the person answering 07825521586?

Dear Shan

"Your message wasn't delivered to vopa@gmail.com because the address couldn't be found, or is unable to receive mail." ~~ 17 November 2021, 19:08 GMT

My emails are accepted by vopa@gmail.com, so they must be blocking all your email addresses. I wonder why they are doing this?

You should not challenge the police in the way you are doing. And re-sending a link to a terror-training manual too??

Who is this "barrister of many years experience"? Have you antagonised Mr Kahn with your comments about his apparent faith? Or is it you again pretending to be someone else, your nocturnal alter-ego?

In the same email forwarded to me you wrote "I should also reiterate my allegations that the Legal and Medical Institutions (including the Police Forces) of the United Kingdom are individually and collectively institutionally racist and institutionally corrupt from top to bottom"

But only one day earlier in <https://www.theconservativelibertariansociety.com/post/re-re-filtered-re-home-visits-to-senior-officer-criminals2>

you or someone impersonating you wrote "I am grateful to the United Kingdom authorities to have let me keep that despite all the delusional utterances in writing that I have done over the past 24 years. There was no racism in the University of Greenwich, I got what I deserved for I had other internal convictions to seek the truth of our existence on this planet. I was seeking to find if there was a God and if so what kind of conduct He/she would expect from one who surrenders to him in devotion. That is why I have repeatedly stated that I would rather go to a mental hospital than leave this country or go to the Press media to complain about institutional racism or institutional corruption. Life is very pleasant here in the United Kingdom for us. All my actions including calling for Her Majesty the Queen to be dethroned or summoned by the International Criminal Court were naive speculations in my search for the truth. I have already

apologised for my swearing on trollers or criminals for trying to have me booted out of the United Kingdom by making me stateless. They were all part of my yoga. I am sad that it has not been seen that way and I am still having to go to court to clear my name. But clear I must, coming to your original point of what i hope to do with my life. I will look after my family (God willing) and abide by the decision of the Courts. But I will never ever do anything to damage the reputation of the United Kingdom. I will take all the blame upon myself for the past 24 years of what I had earlier described as civil victimisation and state-organised persecution"

The two are contradictory.

Are you trying to make it easy for them to section you under the MHA?

Why are you behaving like an idiot? They will say this is not trolling, this is paranoid schizophrenia which justifies indefinite incarceration under section 3.

From a University in Greenwich, England, because of sexually inappropriate conduct and harassment of a lady professor. Dear Person Receiving Email at narendramodiji1234@gmail.com, obviously not PM Modiji, and others including Ms Nicola Legge, who the lunatic named Shantanu Panigrahi is stalking. Re VISA APPLICATION GBRLV28C421 received in November 2021 by the High Commission for India, London.

Note the following about the applicant -

Dr Panigrahi is a dangerous lunatic with ties to Pakistani I.S.I. and its agent known to RAW, Mohammed Khan Bakhri.

He has attempted to get various Indian diplomats expelled from UK. His local health service had so much trouble with his harassment and threats they had to publish the following policy - <https://www.kmptformulary.nhs.uk/media/1067/managementofviolenceandaggressionrtpolicykmptcorg01311.pdf>

He is on the M.I.5 list of people to be taken immediately into custody should a band 2 or 1 event occur in the UK.

Google for his name SHANTANU PANIGRAHI

You can see he is to be classified as a vexatious litigant to prevent his further abuse of the legal system.

Here is the schedule of approx. 1,750 of his victims at June 15, 2021 (now about 120 more)- [https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J\\_4](https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J_4)

Here are some more items of evidence showing he is extremely disordered - <https://archive.org/details/@panigrahi491>

Please take him back into India, after which we will ensure he never obtains re-entry into the UK. We will take steps to revoke his UK travel document while he is abroad.

Note - MEA, MHA, RAW and BhuhCutt-Police are aware of his criminal activities.

Thank you for dealing with this gaandchodh,

Subject: Return to India

To

Honourable Prime Minister of the Republic of India

Please accept my deepest respects as Pranams

I am a family man who came to the United Kingdom with my parents, with my father being on deputation for the Government of India seemingly on diplomatic status as Indian Liaison Officer.

I stayed behind in the United Kingdom but went to marry a girl in Odisha State and we have a daughter born in the United Kingdom so having a British passport. My wife works for the Civil Service in the Government of the United Kingdom.

I will be 65 years of age on 15 January 2022 although my birthdate in the passport is written as being on 8 August 1957 due to some mistake administratively when I was issued with an Indian Passport in 1972 to come to the United Kingdom. I obtained a United Kingdom passport in 1984 through the naturalisation process to develop my scientific career in the United Kingdom. My curriculum Vitae/Biodata is attached: CurriculumVitaeFullDrSPanigrahi2021.pdf.

The reason for writing to you is that I would in my retirement I would like to have a Visiting Lectureship at any of the Universities of the Republic of India. There are currently no restrictions on me to travel abroad on a United Kingdom Passport but my 6 monthly Visa application to the High Commission of India London for 2022 is still being considered. If I could get a visiting lectureship, I could apply for a 2 year stay in India for such a posting.

We have property in Kolkata (Flat at A13/3 Kalindi Housing Estate, Kolkata 89, and have village properties in near Bhadrakh in Odisha State. My parents are deceased but I have two sisters who are settled in Bhubaneswar.

I have been referred to write to you by my acquaintance in India Mr ShitikanthSingh A on Face.book: see Correspondence on Facebook with Shitikanth Singh A 18 Nov2021 on India Visa Application.docx.

Thank you for your kind consideration.

Hey chootia-lok,

As you must by now know, VOPA has intervened with MEA.

Result? Both your VISA applications are refused.

Time of decision - 21 November 2021 10:55 am

You are confirmed on the terrorism watch list. e-VISA will not be able to process any further applications from you. Your fee is being refunded this week.

We are notifying your sisters and brother-in-law Nihar accordingly.

You thought you could FXXXUP the lives of thousands of your victims and escape the consequences? We don't rely on karma. We retaliate directly. Both your naturalisation

applications are now under audit scrutiny, partly for the anomaly re dates which is a consequence only of your putting false data in the application.

Behenchod Shantanu, you are unwelcome in the United Kingdom. You are unwelcome in India and your stupid wife's deportation destination of France also.

We suggest you FXXXOFF to Pakistan. PHC has been kept apprised of your published statements about "moronic Muslims" so they have a hot reception for you.

And thank you for providing us with Rekha's passport number, National Insurance number, etc. Some VOPA members have been requesting these for more than one year.

Warmest possible gratings and from Sivaji with poker

Out of the blue I have received this obnoxious email at 22.40 pm hours this evening that is not just highly deceitful and manipulative but smacks of a resumption of the Sabotage of my Company The Conservative Libertarian Publications Limited with its two Membership Websites Accounts at JOIN IT and BRILLIANT DIRECTORIES.

Hence the demand for £1 billion for damages and compensation in total from the identified institutions and persons in the Particulars attached: Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police 23 May 2025.pdf cannot be dismissed by the Court without the Full Written Reasons for such a decision being disclosed to me as the Claimant.

Hi Shantanu,

Thank you for contacting Stripe. I understand your concern about the loan. I'm here to clarify.

Upon checking, I'd request if you could clarify whether you have already applied for the Stripe loan, and you wish to withdraw it, so that we can investigate from our end and help you accordingly.

Additionally, if you are referring to any different loan, then please clarify more about it.

I will look forward to your reply.

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung.

I am now in a position to address your questions in the email accordingly.

I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faisar again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (withoug prejudice).

These are the two Membership Accounts that I hold with Stripe Bank and the shantanupanigrahi@yahoo.com (from which I am writing this email) is associated with the JOIN It Account whereas the shantanupanigrahi@aol.com is associated with the BRILLIANT DIRECTORIES Account

I trust the above resume addresses your issues adquately but if there is anything else that I can assist Stripe Bank with, please do not hesitate to write back.

Yours sincerely

So at the 12.46 pm checks the Company is verified still and the two Membership Accounts are validated for a business as usual modus operandi. This is quite obviously the decision of the Supreme Court of the United Kingdom conveyed to me by the Phone ringing from a Spam Caller dialling from 020 4539 4121 at 12.24 pm.

## Financial Ombudsman Service – Complaint form 7

### Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you

contact us or bring a complaint to our service. A more detailed version of this privacy notice is available on our website.

### About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us [here](#). We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the ‘Why we process your personal information’ section.

### The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual

circumstances of the complaint and why we are processing personal information. Examples of the

type of information we process are your name, date of birth, financial details, phone recordings and

special category data, such as health information.

### How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial

business the complaint is against. But sometimes, where it is necessary for resolving a complaint

or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit

reference agency.

### Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct

organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media
- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are published on our website. We remove the name of the person making the complaint as well as any

other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you.

You

can let your Investigator know at any time if you do not want us to contact you for our surveys.

Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell

your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware

that an enquiry has been received and ask them what has happened so far. The personal details of

Financial Ombudsman Service – Complaint form 8

the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint

to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also

need to share relevant information with other individuals or organisations, for example: another financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to

your service complaint.

Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our

statutory function, a reason of substantial public interest or compliance with our legal obligations.

On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take

steps to ensure that it is stored securely, both physically and electronically, in accordance with the

internal policies that we have in place for the effective and secure processing of your personal information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper documents sent by post are destroyed 6 months after the date they are scanned into our system.

More information is in Annex A here.

What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set

out in Annex B here.

What to do if you're unhappy with how we've handled your personal information

If you have any questions about this notice or are concerned about how we are processing your

personal data, you can contact our Data Protection Officer at: [data.protection@financial-ombudsman.org.uk](mailto:data.protection@financial-ombudsman.org.uk). Details of how to raise a complaint are available here.

We hope we'll be able to resolve your concerns, but if you still remain unhappy with our response,

you can contact the Information Commissioner's Office at [casework@ico.org.uk](mailto:casework@ico.org.uk) or 01625 545 745.

Changes to this privacy notice

We may change this privacy policy. In that case, the 'last updated' date at the bottom of this page

will also change. Any changes to this privacy policy will apply to you and your data immediately.

: Important according to Google magic. Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

Dear Shantanu Panigrahi

Thank you for your further correspondence in this case.

Having read your supporting documents we do not hold any clear evidence of an infringement of the legislation that we oversee.

Therefore as there is no scope for regulatory activity on the part of our office we have closed your case.

If you are seeking personal redress or compensation for the way an organisation has dealt with your personal information, you will need to pursue this independently through the courts or with an industry's own ombudsman or regulatory body.

Please be advised that this is not a process that the ICO can assist you with. We therefore recommend that you seek independent legal advice if you wish to pursue this course of action.

Dear Mr Battersby

I thank you for the contents of your email, and I have assumed on the basis of a Phone call that I received at 10.21 pm on my Mobile Phone which rang from a Spam Caller dialling from 0161 560 9788 that you have taken your advice concerning the infringement of the legislation by Kent Police and thousands of co-conspirators upon the full and due deliberations of the Judicial Committee of the Privy Council in response to the attached details that I approached the Committee with (Fw: Care Coordinator @ Reach Healthcare).

If this is the correct interpretation of your communication to me now, I am happy to leave matters lie where they rest.

Please advise immediately if appropriate.
